

## NORTH SOUTH YACHTING

FIRST CLASS SUPPLIER OF WORLD-CLASS SAILING YACHTS  
TO THE AUSTRALIAN MARKET

**X-Yachts**  
WORLD CLASS SINCE 1979

Dear [[FirstName]],

### 2007 PITTWATER BAVARIA REGATTA

The annual 2007 Pittwater Bavaria Regatta was again held from the RPAYC on Sydney's beautiful Pittwater. The introduction for the first time of a new Cruising Division meant that numbers were up on last year with a total of 33 yachts participating in the days events.

The threatening clouds in the morning never produced any rain and eventually cleared into a fine afternoon with light southerly winds. Following the morning briefing everyone headed out to the boats with their complimentary pack of goodies and sailing instructions in hand.

The cruising division cleared the line 10 minutes early to allow the racing fleets to begin their start procedure. A southerly breeze made for a downwind start with all three racing divisions getting off to an incident free start.

At the conclusion of a fun filled race or cruise down Pittwater the entire fleet headed for Coasters Retreat and rafted up for lunch. It is a common site these days seeing large numbers of Bavaria's rafted up in Pittwater and this was a great opportunity for many of our new owners to meet other Bavaria owners and

swap stories on how to get more out of their boats.

Race two was another down wind start with a short run down to the Mackerel Beach mark before the work home. While the racing divisions were skimming around the course the cruising division began to make their way back to the club at their own pace. It was fantastic to see such a great turnout for the new cruising division and talks are already underway on how to improve the format for next year.

At the conclusion of the day everyone headed back to the RPAYC for the presentation which included cash prizes, sailing gear, equipment for your boat and much, much more!

The team from North South Yachting would like to say a big thank you to everyone who joined in for the day and a special thank you to all our sponsors whom without their help this day would not have been possible.

## **BAVARIA 31 CRUISER - PRESS RELEASE**

North South Yachting is proud to announce the latest release from Europe's most modern boat building facility, Bavaria Yachts in Germany. Following on from the worldwide success of their sailing yachts, Bavaria has released an exciting addition to the Cruising range called the Bavaria 31 Cruiser.

Special attention has been paid to what sailors need and expect in a modern cruising yacht. The designers J&J, have come up with the perfect performance cruising yacht, especially suited to warm climates like the Med and Australia.

In classic Bavaria style the Bavaria 31 Cruiser encompasses many of the innovative ideas from the current Cruising range and the newer Visions. Added to this are a few new ideas previously only seen on yachts twice this size and all with Bavaria's renowned Quality, Performance and Value hallmark.

Just some of the new features that come as standard on the Bavaria 31 Cruiser are listed below:

- Electrically lowerable transom platform and swim ladder more commonly seen on much larger yachts
- Superb ventilation via a total of six opening windows and hatches in the saloon
  
- Larger head including wet hanging locker and more storage space
- Efficient use of space with larger cockpit seats 2.2m long
- Larger cockpit table with built in drinks esky.
- Mainsheet traveller with German mainsheet system leading back to winches in the cockpit
- A total of six winches in the cockpit
- A modern deck layout with lines leading below deck and recess for the dodger

All this and more come as standard on the new Bavaria 31 Cruiser, which is actually 32ft long! "We are excited about this new release from Bavaria and confident that the Bavaria 31 Cruiser can look forward to a bright future downunder" said Dan Jones from North South Yachting.

Scheduled to begin production in June 2007 the Bavaria 31 Cruiser is available for an Australian sail away price of \$185,000 inc gst.

## **SANCTUARY COVE BOAT SHOW!**

North South Yachting and Auistraliawide Boat Sales the Queensland agents for Bavaria Yachts are proud to have on display a Bavaria 33, 37, 42 Cruiser and the new 44 Vision at this years Sanctuary Cove Boat Show (24<sup>th</sup>-27<sup>th</sup> May).

With recent changes in superannuation laws and the mining boom feeding massive growth around Australia, there really never has been a better time to get into yachting!

The new team will be on hand to answers your questions and show you over the new yachts in our usual spot at the sail basin in Sanctuary Cove. Hope to see you there!

BAVARIA CHARTER AUSTRALIA

## **BAVARIA'S EXPAND CHARTER FLEET**

Following the launch of Bavaria Charter Australia our specific charter division as recently as February this year, we have added over \$1.4 million of Bavaria Yachts to the Whitsunday charter fleet. Keen interest has resulted in three new Bavarias being ordered ready for this season this year. Other yachts are also in consideration and we are excited to see the commitment Bavaria and NSY have made to the charter market paying dividends for owners.

We are hopeful of great things over the next two months as the superior performance, build strength, layout and resale value of the Whitsunday Edition yachts attracts more owners to buying a boat and putting it into a charter fleet.

With a three year warranty, factory buy back guarantee, finance and business planning service available it has never been a better time to take advantage of owning a charter boat. The rewards are there for everyone to enjoy. Perhaps you should find out more about chartering, it is not too late to capitalise on season 2007.

We will be launching a new innovative charter product at the Sanctuary Cove boat show you must come and see us at the Yacht Basin for a chat and be part of this emerging lifestyle opportunity.

## **OPEN DAY**

To celebrate the arrival of the new X-41 One Design and the Bavaria 50 Vision, North South Yachting will be holding an Open Day on Saturday the 14<sup>th</sup> of July at the Quays Marina in Pittwater. Many boats from the Bavaria range will be on display and staff will be on hand to show you all the finer points of both Bavaria

and X-Yacht brands. More information on the day will be sent out closer to the date.

## **2007 SQUADRON CRUISE REPORT**

Forty nine boats comprised the 2007 Squadron Cruise to Pittwater under the Captaincy of Simon Coventry. On the first day the racing fleet, due to lack of wind, motored to Long Reef where the race was started in just enough wind to make for an enjoyable sail. This was followed by the raft up and traditional Happy Hour on Hallett's Beach.

On the second night, in Americas Bay, boats were allocated to raft up for a progressive dinner. This was an opportunity to meet new people. Monday night was spent in Mushroom Bay, handy for a top-up of fuel and water at Akuna Bay. The next night was at Smiths Creek, before heading to The Basin for a BBQ lunch. A warm, sunny day just perfect in the shade of the trees. The official function on Thursday evening was, again, held at Royal Prince Alfred Yacht Club and the last raft-up was at Castle Lagoon.

The Cruise was blessed with beautiful days, however, winds were mainly light and the tricky roundings of Lion Island and Barrenjoey Head tested all competitors. The return trip to Sydney Harbour saw very light breeze and the Race Committee had to make the difficult decision to abandon the last race. Congratulations to all the winners and the rest will look forward to a more favourable handicap next year!
