Dear [[FirstName]],

2006 Pittwater Bavaria Regatta

The annual 2006 Pittwater Bavaria Regatta was held last Sunday the 2nd of April. Fortunately the 35Kt southerly we experienced on Saturday died down to a pleasant 10-15Kts from the south.

Once everyone had received their complimentary bottle of wine and six pack of beer it was time for a short race briefing and then off to the boats.

We held the same format as last year with the smaller cruisers going off first, followed by the large cruisers and finally the Match boats.

A special mention is due to Dave and Linda Barker the owners of a new Bavaria 30 from Gosford. They attempted to make their way down to Pittwater on Saturday but due to the large breaking swells at Box Head they were forced to turn back. So bright and early on Saturday morning they made their way down to the RPAYC with just enough time to watch their division sailing over the start line. Undeterred they still managed to join in and complete both races, well done.

We had a great turnout from the large cruisers this year. Once again the sight of all those 44's among the new 42's and 46 made for some impressive shots on the start line. The crack crew on the Bavaria 44 'Hairy Mary' had a two great starts and proved that the Bavaria 44 is still one of the best sailing boats around.

At the end of race one everyone headed into the Basin for a relaxing lunch on their boats. The sun was out and more than a few people decided to test the water and go for a swim.

Race two was virtually race 1 in reverse except for the addition of one extra mark. Fortunately after dieing down at lunch time the wind picked up again and propelled the fleet back to the club for the post race drinks, bbq and presentation.

Thankyou to all the owners and their crews who came along and made the 2006 Pittwater

Bavaria Regatta such a wonderful day, A special thanks is also due to all our owners who came from outside Pittwater. We greatly appreciate the effort you put in to come along on the day.

NSY Brokerage

North South Yachting are now operating a full time brokerage for all our Bavaria and X-Yacht clients. We have a network of agents from around the country who can help get your yacht sold. For more information on what we can do for you please give us a call (02) 9998 9600.

Social Raft Up's

North South Yachting Pittwater will be organising a social raft up for later in the year. After speaking to many of our clients prior the Bavaria Regatta we have realised the need for a more relaxed social day for our many clients who are not interested in racing. The format of the day would be a cruise in company to a selected anchorage in Pittwater where we could all raft up and enjoy a bbq and drinks in each others company. Keep an eye out in your monthly newsletter for further details on this event.

..And Now We Wear Shorts All Year..

It was in December 04 that my wife, Clare, and I decided to look for a yacht to sail as a liveaboard. We started looking on the internet for second-hand yachts and quickly found that the prices were lower overseas, in particular, Europe. We were looking for a yacht that we could handle as a couple so we settled on 36 to 40 feet. As we read through the pages of yacht ads we became focused on Bavaria yachts as the best value for money and finally we decided to look at new yachts. It just happened that the new model Bavaria 39 was being built and with quotes from the UK and Australia, a Europe delivery was settled on. The order was placed with NSY and they arranged for the delivery to Palma, Mallorca in the Mediterranean. To read on [click here](#).
