

Dear ,

---

## **BAVARIA & X-YACHTS PITTWATER REGATTA**

Thank you to all those owners and their crews who helped make the 2008

Bavaria & X-Yachts Pittwater Regatta a day to remember. Beautiful sunny skies and a light North Westerly breeze helped over 30 Bavaria & X-Yachts around a series of racing and cruising courses depending on what division they had entered. Between races the fleet stopped at the basin for lunch aboard their boats and at the end of the day a presentation and bbq was held at the Royal Prince Alfred Yacht Club.

It was great to see so many new faces getting involved in the regatta with many new owners plus existing owners trying their hand at racing for the first time. The team from North South Yachting would also like to extend a very special thank you to all the sponsors of the regatta without whom the day would not have been possible.

## **THE BAVARIA 40 CRUISER IS HERE!**

The new twin wheel Bavaria 40 has arrived in Australia and will be landing at our Pittwater office this Friday. To arrange an inspection of this stunning new model please contact Dan Jones (02 9998 9600) from head office to arrange an inspection. Keep an eye out on our website for more photos and information on the 40 as it comes to hand.

## **SYDNEY HARBOUR OPEN DAY CELEBRATING SYDNEY HARBOUR WEEK**

On the weekend of the 8<sup>th</sup> and 9<sup>th</sup> of March the Sydney Harbour office for Bavaria Yachts held an Open Day on the marina at Birkenhead Point in Drummoyne. With flags flying and the boats looking their best, the weather held out for a beautiful sunny weekend.

The 31, 34 & 38 in the new range of cruiser yachts were on display, new customers as well as current and previous owners come down to have a look at these great models. All vessels were well received and lived up to the high expectation of Bavaria Yachts.

We would like to thank everyone who attended and welcome anyone to future Bavaria Yachts Open Days. These events are a great way to have a real look at the boats and ask any questions you might have, without the crowds of boats

shows.

Look forward to seeing you next time.

---

## **BAVARIA YACHTS NATIONAL BROKERAGE MANAGER DIVES INTO HIS NEW ROLE**

Never one to shirk a challenge, our new brokerage manager celebrated his arrival in the country (and his 30<sup>th</sup> birthday) by completing a lifelong ambition – throwing himself out of a plane from 14,000 feet!

*“When my partner unveiled the ‘surprise’ she had in store the week before the jump, I must admit my lifelong desire disappeared as the reality of what was coming sprung up and hit me squarely between the eyes! After climbing above the clouds and finally being told to shuffle to the opening of the plane, I swear my heart was pumping fast enough to power the plane’s propeller!*

*Before you know it, it is over – 14,000ft in little over 4 minutes. An incredible experience.”*

Now 3 months in to his role, Tom has created a structure to the brokerage side of the business, and has more than doubled the number of listings both in the Pittwater region and Nationwide. A broader spectrum of yachts listed, ranging from \$155,000 to \$662,500, has drawn an even higher enquiry level – there is little doubt that the natural high customer flow provided by the Bavaria product is being supplemented by the expanding brokerage awareness.

As always, Tom is keen to discuss with both Purchasers and Vendors what Bavaria Yachts Brokerage services can offer – please do not hesitate to contact him on 02 9998 9607 or 04222 39641.

## **AUDI HAMILTON ISLAND RACE WEEK 22 - 30 AUGUST 2008**

Bavaria & X-Yachts will again have a large presence at this year's Audi Hamilton Island Race Week. If you have not done so already now is the time to send in your entries and book your accommodation for Australia's premier offshore regatta.

If you are planning to race your Bavaria or X-Yacht at Race Week or even if you will just be cruising through the area during race week please let us know as we will be holding a number of owners events. We also like to get all the Bavaria & X-Yachts berthed in the same area so if we know you are coming this will help with the planning. Please contact Mel (02) 9998 9600 if you are planning to attend this year.

---

## **AUSTRALIAN OWNERS TAKING DELIVERY IN THE MED**

Two new Bavaria owners will be taking delivery of their yachts in the Med this European summer. In partnership with the Bavaria Malta agent Anthony Camilieri, North South Yachting will be delivering a new 40 and 50 Cruiser into

the Med.

It is becoming more and more common for Australians to take delivery of their yachts into the Mediterranean and sail there for a few seasons. Spending summer in Australia and then flying off to your yacht for a summer in the Med seems to be very appealing to many Australians these days.

If owning a yacht in the Med sounds like fun to you then please contact head office (02) 9998 9600 and ask us how we can help you turn that dream into reality.

## **BAVARIA WHITSUNDAY RALLY 2008**

The 2007 Whitsunday rally was a huge success with over 20 Bavaria enthusiasts enjoying a week in flotilla formation sailing the pristine waters of the Whitsundays with incredible weather and fair winds. The great news is that the rally is on again in 2008 ! A new improved itinerary is planned for more fun and excitement combined with resort style living and great sailing. The fleet has been expanded to include all our current models and we plan to have 10 plus yachts in the fleet this year. Bigger but more intimate and with some optional elements to cater for all requirements whether you want to sail or just relax.

Through the efforts of our sponsors, we can keep the price for participants at \$1,600.00 per person including most meals. Places will be limited and registration is open now! The dates are the 4 to 11 December 2008. To secure your place email [shendry@mconsult.com.au](mailto:shendry@mconsult.com.au) and get your \$200 deposit per person in. If you want to chat to find our more about what went on last year, then please call direct on 07 4948 0206.

## 2001 Bavaria 32 Cruiser \$162,000

A beautifully presented example of the popular 32 model, which rivalled many 34 foot competitors due to its internal volume and excellent sailing characteristics.

This 2001 model has been sensibly set up for comfortable cruising - offered in a 2 cabin layout, the large L-shaped galley, excellent sea berths and slippery hull design offer a superb balance between onboard comfort and twi-lighting capabilities.

An excellent entry level introduction into the Bavaria range.

For more information please visit our website <http://www.bavariayachts.com.au>

---

## 2005 Bavaria 39 Cruiser \$257,000

The 39 Cruiser was one of the first models of the "new generation" Bavaria's offering a lighter shade of mahogany timber, which coupled with a superb flow of natural light, presents the yacht as one of the most universally popular in the range.

Replacing the 38, the yacht set a precedent for internal space in the 40ft bracket - 3 double cabins, 2 heads, 6'7" headroom and class leading stowage creates the impression of a much larger design. However, her sleek, elegant lines belie this volume, as does the performance, which is top notch thanks to a deep full lead keel, folding propeller and powerful fully battened mainsail.

A beautifully presented example, the yacht is lightly used, with a little over 200

hours on the engine.

For more details please visit our website <http://www.bavariayachts.com.au>

---

## 2004 Bavaria 42 Cruiser \$299,000

Immaculately presented example now reduced for immediate sale . Her previous owner has put a great deal of time and effort into this yacht and her condition and level of specification reflect that.

Extras include auto pilot, gps, electric primary winches, flat screen TV, removable clears that fully enclose the cockpit, dingy davits and much more.

For a full inventory and more information on this popular model please visit our website <http://www.bavariayachts.com.au/>
