WORLD CLASS SINCE 1979

Dear Eve,

Sydney International Boat Show August 3rd - 8th 2006

This year North South Yachting will again have a large range of new yachts on display at the Sydney International Boat Show. The flagship Bavaria 50 Cruiser will be having her Australian debut along with the sporty X-35 racer. Also on display will be the Bavaria 33, 37/2 cabin, 39 and 42 Cruisers. More detailed information on the new Vision range of deck saloons from Bavaria will also be available from the NSY stand.

The annual cocktail party for Bavaria and X-Yacht owners will be held on Friday the 4th of August at the NSY stand located on our own finger next to the Pyrmont Bridge. Invitations will be going out to all our NSW owners very soon.

Winter Raft Up

The North South Yachting Winter Raft Up was held over the weekend of the 1st and 2nd of July. Mother Nature turned it on and provided us with beautiful sunny skies and relatively warm daytime temperatures for the middle of winter.

Once all the boats were securely anchored with stern lines to the shore, the wine, cheese and crackers began to flow. As the sun went down and the temperature began to drop the ovens and barbeques were fired up as everyone prepared hot meals for the evening.

We had a great time and would like to thank all the owners who came along. The next Raft Up will be held in October on a date to be announced in next months newsletter.

Bavaria Yachts Open Day

North South Yachting had the entire range of Bavaria Cruising Yachts on display over the weekend of the 17th and 18th of June. The weekend was a great success and achieved our objective of giving our clients the opportunity to view all the boats without the crowds you get at boat shows.

Who's Headed North?

If you are planning on competing in this years Hamilton Island Race week, please let the team from North South Yachting know. We will be berthing all Bavaria's and X-Yachts together as we have in previous years and the North South Yachting bar will be operating once again providing an opportunity for owners and crew to catch up for a drink at the end of the day.

Currently these are the owners who are participating in race week.

An update from Andrew and Clare Payne aboard Eye Candy...

The last time I wrote, we were still in Sydney and eager to return to Eye Candy in Turkey. Now we have been in Turkey for nearly 10 weeks and our story has moved along.

We returned to the Turgutreis marina near Bodrum a week earlier than planned but we put the time to good use preparing the boat for the coming summer season. When we arrived we found the boat as we had left it and in excellent condition. The Marina had been contracted to air the boat and start the engine every month and ensure the power meter was on to charge the batteries. All this appeared to be done and the batteries were better than when we took delivery a year ago. There was no dampness or smell in the boat so all we had to do was clean it. The layer of desert dust on the outside was an unexpected "bonus" but this soon washed off. To read on [Click Here](#)
