Bavaria 50 headed to Australia

The Bavaria 50 Cruiser will be arriving in Sydney in time for the 2006 Sydney International Boat Show. The flagship of the Bavaria range will be equipped for comfortable cruising. For more information on this exciting new design please visit our website www.northsouthyachting.com.au and view New Yachts.

Bavaria News

Dr Dennis Brown's new Bavaria 42 Cruiser, Indigo II had her first sail in February. The yacht has an in-mast furling system. Furling the sail was achieved with very little effort and could be done in around 15 seconds.

Dennis's high tech set of sails which included a mainsail with vertical battens provided good shape and roach to the main.

At Church Point we are currently commissioning 2 Bavaria 46's, a 42, 2 39's, and our first 37 2 cabin. All the customers are delighted with the new light and bright interior.

If you get a chance come down and see the full range of boats with the new joinery and our saloon upholstery selections.

New X-35

The first X-35 One Design is on schedule to arrive in Australia this April. She will be commissioned and undergo sea trials in Sydney before being shipped to her new owner in Tasmania. Keep an eye out for the review on this exciting new yacht.

2006 Pittwater Bavaria Regatta!

The invitations for the 2006 Pittwater Bavaria Regatta have now gone out to all our NSW

Bavaria owners. The day will comprise of 2 non spinnaker races on Pittwater stopping for lunch aboard your boat after the first race. Following the huge success of the 2005 regatta we are expecting a fleet of around 30 yachts to be competing this year. For more information please contact Eve or Dan on (02) 9998 9600.

2006 X-Yachts Regatta

The 2006 X-Yachts regatta is scheduled to be held at the Royal Sydney Yacht Squadron on Friday the 31st of March. Following the success of last years regatta the number of races has been increased to three on the day after requests from owners.
