Winch Upgrade Package

Ever considered electrifying your winches? Now North South Yachting can provide you with a detailed winch upgrade package for your yacht. If you just want to make the manual stuff easier by adding larger winches or go all out and electrify your winches we can provide you with all the information you need to make sailing an even more enjoyable experience.

Remote Controls for your Boarding Platform

As an option on any new Bavaria Yacht we will be offering a remote control package for your transom boarding platform. For more information contact the sales team.

Ever Dreamed of World Cruising?

Many of our clients have, and to get them heading towards their lifelong dream we have been hard at work customising yachts capable of completing long voyages in extreme comfort. A number of 40ft+ Bavaria's have recently been equipped with gen sets, water makers, air con, washing machines and more. If you too have that ultimate voyage in mind why not speak to the team that can get you there!

Sales Boom for NSY

With interest in X-Yachts and Bavaria's new models at an all time high, sales in larger yachts have been going strong. With 30 boats sold in the last six months including 44ft & 50ft Visions and an X-50 there is going to be plenty of commissioning activity in the coming months.

Summer Season Approaching

As the summer season approaches and the days get longer, keep an eye out in the coming newsletters for news on future events.

X-41 TURNING HEADS WHEREVER SHE GOES

The latest in a long line of winning yachts from the board of Neils Jeppesen is the new X-41 Performance Racer. She has been designed to perform as a One Design class an IRC offshore yacht yet still have sufficient comforts to make her a wonderful family yacht.

Launched in Denmark in late 2006 and now with almost 50 sailing worldwide the X-41 is heading towards ISAF recognition as a one design class, like her smaller sister the X-35OD.

FREEDOM AND ADVENTURE 34 Croatia & Montenegro

ALL GOOD THINGS COME TO AN END

Well we have spent 10 gorgeous weeks in Croatia and two spectacular weeks in Montenegro. Now three weeks further on, we are in the Greek Islands at Kithnos south of Athens.

The beauty of Croatia and Montenegro was very hard to leave. Nearly every anchorage was spectacular, nearly every experience was great. However things are certainly different, but we are getting better at "different" For example the Croatian weather reports from "Split Radio" use strange terms like "Swerlies" and "Thundersy" and the following warning was a bit of a puzzle:

WARNING: LITTLE POSSIBILITY OF SUDDEN STORMS ALMOST OVERDAY
ALONG THE COAST OF CENTRAL ADRIATIC AND IN THE NIGHT ON N-ERN
ADRIATIC.
